

# PARENTS AND CARERS DROP-IN

we are sash

Our online group is for parents and carers of people with learning disabilities and autism who would like to be supported and empowered to successfully address issues around sexual health, sexualised behaviour, sex and relationships affecting the people they support.

These topics can be harder to navigate, address, and understand for those living with autism and learning disabilities.

This group will provide you with the opportunity to ask questions, meet other parents who face the same difficulties, and support one another.

Date: **Wednesdays from 9/10 - 27/11**

Time: **1pm- 2pm**

Where: **Online- Scan the QR code below, or book via your place**  
[mytp.me/ParentsCarersDropIn](https://mytp.me/ParentsCarersDropIn)

What to expect?

**Discussions around topics like masturbating in public, inappropriate touching, understanding their body, online safety, difficulties in navigating dating and relationships etc**

Open to: **London residents**
